

Beach Uniforms

New Design! This year's tops will be royal blue with a new logo incorporating the Chicago skyline.

Girls must order a tank top, sports bra top, or bikini top. They may order any combination of those, but only one is required. Boys must order a tank top. Both girls and boys may wear any shorts or bottoms.

Returning players may use last year's uniform.

All players must have a **beach volleyball** at every practice. Players can order a ball through Ultimate if needed.

In order to provide uniforms on a timely basis, the UVC uniform orders have already been placed with the manufacturer. Please mark the items and sizes you would like to request. Requested sizes will be honored according to availability. Requested sizes are NOT guaranteed.
